

OPEN CYBER SITUATIONAL AWARENESS MACHINE (OPENCSAM)

Record of processing activity

Title	Open Cyber Situational Awareness Machine (OpenCSAM)
Name and contact details of controller	ENISA, Core Operations Department (COD3), opencsam@enisa.europa.eu
Name and contact details of DPO	dataprotection@enisa.europa.eu
Name and contact details of Joint Controller	N/A
Name and contact details of processor	N/A
Purpose of the processing	OpenCSAM is an Open Source Intelligence tool aimed at supporting the EU cybersecurity blueprint stakeholders from the EU Institutions and Member States. Its purpose is to provide situational awareness and facilitate reporting on cyber events of interest. For the users of the tool, it is necessary to process some basic user access control information.
Description of data subjects	Blueprint stakeholders from EU Institutions and Member States (as described in the EC recommendation C(2017) 6100 final, 13/9/2017).
Description of data categories	First name, last name, email address.
Time limits (for the erasure of data)	Personal data are kept for as long as the users are active OpenCSAM users. Users can notify ENISA at opencsam@enisa.europa.eu if they would like to de-register from the tool. Then all related personal information is deleted.
Data recipients	OpenCSAM admins at ENISA, ENISA contractors supporting and developing the tool.
Transfers to third countries	N/A
Security measures - General description	Application level: Support contract with external contractor for patching, updating and monitoring. Infrastructure (up to OS level: Security measures performed by ENISA IT Staff as per ENISA IT policies).
Privacy statement	Privacy statement available on ENISA's intranet and for OpenCSAM users.
