## **Recital (61) preamble to the actual binding text**

ENISA should have an ENISA Advisory Group as an advisory body to ensure regular dialogue with the private sector, consumers' organisations and other relevant stakeholders. The ENISA Advisory Group, established by the Management Board on a proposal from the Executive Director, should focus on issues relevant to stakeholders and should bring them to the attention of ENISA. The ENISA Advisory Group should be consulted in particular with regard to ENISA's draft annual work programme. The composition of the ENISA Advisory Group and the tasks assigned to it should ensure sufficient representation of stakeholders in the work of ENISA.
