Curriculum Vitae

PERSONAL INFORMATION

John Agius

POSITION IN THE ENISA
MANAGEMENT BOARD

Member – representative of **Malta**

Biography

Mr. John Agius is the Director at the *Malta Critical Infrastructure Protection Directorate* (CIPD) incorporating the [a] Critical Infrastructure Protection (CIP) Unit; [b] Critical Information Infrastructure Protection (CIIP) Unit; [c] CSIRTMalta; and [d] National Emergency Coordination. The CIP and CIIP Units are the respective national protection entities in Malta. CSIRTMalta is the cyber monitoring arm within the CIPD and the National CSIRT for Malta. Moreover, the CIIP Unit is the National Competent Authority and SPOC for the purpose of the NIS Directive.

The CIPD acts according to the objectives defined by L.N. 434 of 2011 on "*Critical Infrastructures and European Critical Infrastructures (Identification, Designation and Protection) Order*" and L.N. 216 of 2018 on "*Measures for High Common Level of Security of Network and Information Systems Order, 2018*". These Orders are the transpositions of Council Directive 2008/114/EC of 8th December 2008 and Council Directive 2016/1148/EC of 6th July 2016 respectively.

By profession Mr. Agius is a Risk and Disaster Management specialist, having strong industry and academic experience in the profession and the associated resiliency disciplines. Combined with his 30+ years of professional experience in Management, the Police, Law, Security, Planning, Environmental enforcement, Telecommunications, Civil Protection and Critical Infrastructure and Information Infrastructure Protection, his knowledge is academically backed by an M.Sc. in "Risk, Crisis & Disaster Management" from the University of Leicester in England, a degree in "IT" and a Diploma in "Law and Administration". He is the CIP European Point of Contact for Malta. He reports and coordinates related issues within Malta, with the European Member States, the European Commission and other international partners.
