

Curriculum Vitae

PERSONAL INFORMATION

Pieter J. van den BERG

POSITION IN THE ENISA MANAGEMENT BOARD

Alternate – representative of the Netherlands

WORK EXPERIENCE

[Add separate entries for each experience. Start from the most recent.]

Pieter van den Berg has a master degree in Molecular Biology from the Wageningen University. He joined the Netherlands ministry of Justice and Security in 2016 as Sr. Coordinator International Cybersecurity Policy at the National Coordinator for Security and Counterterrorism. Between 1992 and 2016 Pieter held several policy, advisory and management positions in the (international) security domain at the ministry of the Interior and Kingdom Relations, and at the ministry of Foreign Affairs. Since 2016 Pieter is responsible for the section international cyber security policy at the Cyber Security Directorate. In the first half of 2016 he also headed the cybersecurity programme for the Netherlands EU presidency. In 2017 he was project leader for the cybersecurity part of the programme for securing the national elections. And in 2018 he was project leader for the realization of the National Cyber Security Agenda.
