I hereby declare that I have read the MB Decision for prevention and management of conflicts of interest and that the above Declaration of Interest is at my knowledge complete.

I further declare that should any changes occur and should it appear that I have or acquire additional interests that should be made known to ENISA I shall forthwith declare them and complete a new declaration of interests detailing the changes.

I understand that this Declaration will be entered in a register held by the Agency, and will be accessible to the public, on request, at the headquarters of the Agency and will be made public on the Agency's website.

Please note that the European Union Agency for Cybersecurity (ENISA) will ensure on its part that your personal data hereby submitted is processed as required by *Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data. The purpose of processing this data is to safeguard the independence of ENISA's advice, clarify its credibility as a body of expertise, and to protect the brand value of ENISA and its constituent bodies. To this end, your Declaration of Interest will be publicly accessible upon request and will also be made available at ENISA's website for reasons of transparency. ENISA will make any possible effort to remove any potential sensitive data from the public version of your Declaration of Interest, unless this is not possible in the context of the pursued purpose. ENISA will not keep any Declaration of Interests for a period longer than 5 years after the end of your mandate.*

You have the right of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data. Under certain conditions, you have the right to ask that we delete your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. We will consider your request, take a decision and communicate it to you.

In case in the Declaration of Interest you include information about other data subjects (i.e. your family), you are requested to inform them about this fact and provide them with access to the relevant information.

If you have any queries concerning the processing of your personal data, you may address them to the Secretariat of the respective statutory body. You may also contact at any time the ENISA DPO at dataprotection@enisa.europa.eu.

You have the right of recourse at any time to the European Data Protection Supervisor at <https://edps.europa.eu>.

(If you need more sheets to declare your interests, do not hesitate to use blank ones, but please sign each one of them and attach them to this form.)

THE HISTORY OF THE UNITED STATES OF AMERICA

The history of the United States of America is a story of a young nation that grew from a small group of colonies on the eastern coast of North America. In 1776, the colonies declared their independence from Great Britain, and the United States was born. The new nation faced many challenges, including war with Britain and the struggle for a permanent constitution. Despite these difficulties, the United States emerged as a powerful and influential nation in the world.

The United States has a rich and diverse culture, shaped by the many different groups of people who have lived on its soil. From the Native Americans who first inhabited the land to the immigrants who came from all over the world, the United States has become a melting pot of different cultures and traditions. This diversity has been one of the strengths of the United States, allowing it to embrace a wide range of perspectives and ideas.

The United States has also been a leader in many areas of science, technology, and industry. From the invention of the automobile to the development of the computer, the United States has played a major role in shaping the modern world. This leadership has allowed the United States to become a global superpower, with a significant influence on international affairs.
