

DATA PROTECTION NOTICE

2023 EU CYBER THREAT INTELLIGENCE CONFERENCE

The 2023 EU CTI Conference is organised by the European Union Agency for Cybersecurity (ENISA). The event will take place in a physical format on the 13th of September 2023.

Your personal data in the context of the 2023 ENISA CTI Conference shall be processed in accordance with the Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data¹.

The data controller of the processing operation is **ENISA** (Knowledge and Information Team), who is responsible for the overall organisation of the conference, the communication with the participants before and after the end of the event. ENISA is also responsible for the collection of data of participants from the online registration of the event's participants.

The legal basis for the processing operation for ENISA is article 5(1)(a) of Regulation (EU) 2018/1725, on the basis of Regulation (EU) No 881/2019, in particular the provisions establishing the tasks of ENISA.

The purpose of this processing operation is to register interested persons to the 2023 EU CTI Conference, include them in the participants list; provide access to the workshop venue; allow the follow up of the event, including feedback collection and specific communication activities.

The data processor of the processing operation is European Commission (through the use of the EU Survey tool², which is used by ENISA for the registration of participants to the event).

The following personal data are processed for the events' participants:

- *Contact data: first name, last name, organisation, affiliation, e-mail address.*
- *Optional data: Role/position within the organisation, country.*
- *Other data – Any comments from people registering for the event.*

Please Note:

- The 2023 EU CTI Conference will not be audio/video recorded.
- There will be photos taken during the event's presentations (keynotes/panels) based on the prior consent of the speakers (presenters/panel participants). These photos may be published on ENISA's website and/or relevant social media channels. The focus of the photos will be on the speakers only and not on general views of the audience or specific views/pictures of workshop's participants (other than speakers). Still, should your photo be taken in the context of

this photo shooting, and you would like to have this photo removed, please contact ENISA at ETL@enisa.europa.eu and we will do so as soon as possible.

The retention periods for the personal data are as follows: **The final participants list** (name, surname, organisation) will be kept for a maximum period of 5 years after the end of the event for auditing purposes. **Your contact data** will be kept for a maximum period of six months after the end of the event for communication/follow-up of the event.

Access to your data is granted only to ENISA staff involved in the organisation of the 2023 EU CTI Conference and designated staff of the data processor. Access may also be granted to bodies charged with monitoring or inspection tasks in application of EU law (e.g. internal audits, European Anti-fraud Office – OLAF).

You have the right of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data. Under certain conditions, you have the right to ask that we delete your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. We will consider your request, take a decision and communicate it to you. If you have any queries concerning the processing of your personal data, you may address them to ENISA at ETL@enisa.europa.eu. You may also contact at any time the ENISA DPO at dataprotection@enisa.europa.eu.

You have right of recourse at any time to the European Data Protection Supervisor (<https://edps.europa.eu>).
