ICT Response Board
IRB

Hans Oude Alink
Coordinator crisis management
National Cyber Security Centre (NCSC)

September 2013
ICT Response Board

• Public - private board:
  o which, during a large scale ICT-crisis of threat,
  o whereby national security is at stake,
  o provide an analysis of the crisis,
  o based on an adequate exchange of information;

• The IRB offers an advice about possible measures to the national crisis structure.
Trust

"it takes years to develop and can be destroyed in seconds"
