DATA PROTECTION NOTICE

AEPD – ENISA CONFERENCE: DATA SPACES IN EU

The European Union Agency for Cybersecurity (ENISA) and the Agencia Española de Protección de Datos (AEPD) co-organise the AEPD – ENISA Conference on Data Spaces in EU that will take place on 2nd of October 2023 in Madrid as a hybrid event.¹

The data controller for remote participants is ENISA (Policy Development and Implementation Unit) who is responsible for the registration of remote participants to the conference and the communication with these participants before and after the end of the event.

ENISA processes personal data in accordance with the Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.² The legal basis for the processing operation is article 5(1)(a) of Regulation (EU) 2018/1725, on the basis of Regulation (EU) 2019/881 (Cybersecurity Act), especially the provisions establishing the tasks of ENISA.

The purpose of the processing of your personal data is: register the event’s remote participants through ENISA’s website, provide registered participants’ access to the conferencing platform (CISCO WEBEX), sharing presentations after the event among participants and feedback collection.

The data processors involved in the processing operation are:
- EaudeWeb, established in Romania, who is responsible for ENISA’s web site hosting under specific service contract with ENISA;
- CISCO Webex³ that provides the online teleconferencing platform that ENISA uses under the European Commission’s DG DIGIT SIDE II Framework Contract;

The following personal data are processed:
- Contact data, such as first name, last name, organisation, e-mail (collected upon registration by ENISA’s website and further processed by ENISA and processor EaudeWeb for remote participants);
- Personal data related to the connection/use of the teleconference platform: name / pseudonym, email address (optional), organisation (optional), IP address, MAC address, browser information, hardware type, operating system type and version;
- User generated information: discussion chat logs, meeting recordings, uploaded files. These data are produced through the CISCO Webex platform during the event.

The recipients of your data will be designated ENISA staff involved in the organisation of the conference, and bodies charged with monitoring or inspection tasks in application of EU law (e.g. internal audits, European Anti-

fraud Office – OLAF). Upon completion of the conference AEPD will receive aggregated data on the remote registered participants (organisations and countries)

**Storage of personal data:** the contact data collected upon registration at the ENISA website are stored on the ENISA’s (and contractor’s EaudeWeb) servers and are only processed within EU/EEA. Personal data related to the connection/use of the teleconference platform are stored by Cisco Webex servers within EU/EEA and may include transfers of personal data outside EU/EEA, subject to the provisions of Chapter V Regulation (EU) 1725/2018. CISCO participates in the EU-US Data Privacy Framework.

The remote registered participants list (name, surname, organisation, country) will be kept by ENISA for a maximum period of 5 years after the end of the event for auditing purposes.

Your contact data will be kept for a maximum period of six months after the end of the event and in any case no later than 10 working days after the last event’s follow-up action.

You have the right of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. We will consider your request, take a decision and communicate it to you. For more information, please see articles 14 to 21, 23 and 24 of Regulation (EU) 2018/1725. If you have any queries concerning the processing of your personal data, you may address them to ENISA at isdp@enisa.europa.eu.

You have the right to contact at any time either the ENISA DPO at dataprotection@enisa.europa.eu.

You have, in any case, the right of recourse at any time to the European Data Protection Supervisor (https://edps.europa.eu).
