

Supporting global trade

Wolfgang Niedziella
IECEE Chair

**Cybersecurity Standardization
Conference 2020
Brussels, 2020-02-03**

International
Electrotechnical
Commission

Biggest trade good in the world

**World trade in
electronics and
electrical devices:
19.8%
(USD 3,489 trillion)**

**Primary energy: 11.1%
(USD 1,954 trillion)**

**Vehicles: 8.2% (USD 1,440
trillion)**

Global knowledge platform

<20 000 experts

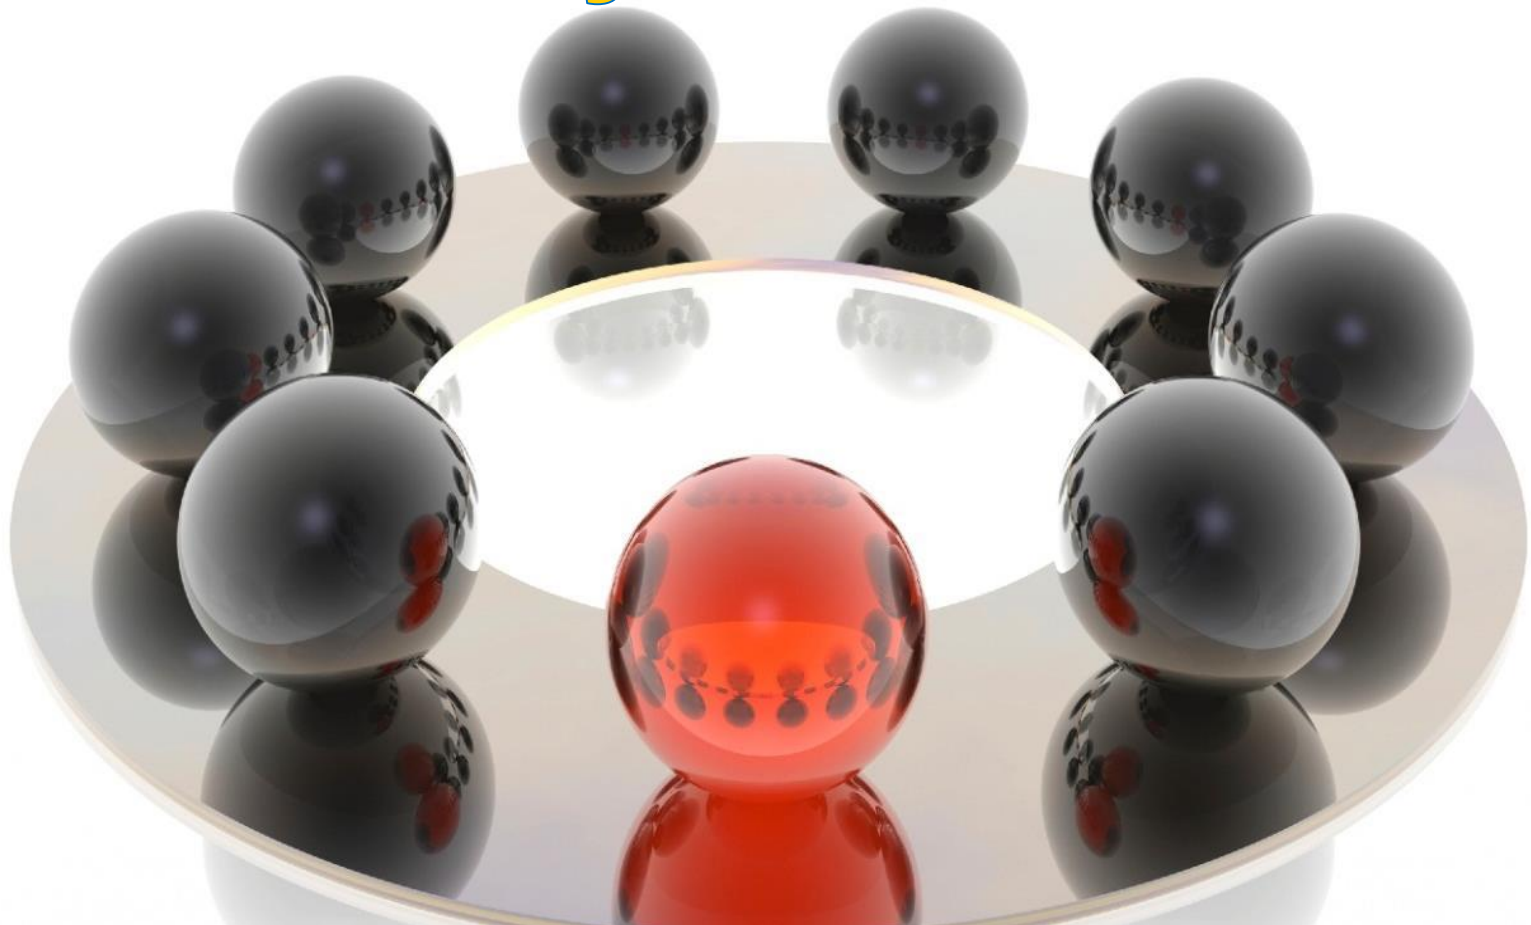

> 200 TC/SCs

>10 000 International standards

~ 1 million certificates issued

one test...
one certification...
many countries

Three axes of cyber security
