

CONFERENCE: ENISA-ESOS CYBERSECURITY STANDARDISATION

PRIVACY POLICY

The European Union Agency for Cybersecurity (ENISA) processes your personal data to organise and manage the ENISA-CEN-CENELEC-ETSI (ESOs) Cybersecurity Standardisation Conference on the 2nd, 3rd and 4th February 2021.

Your personal data are processed in accordance with Regulation 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

The data controller of the processing operation is ENISA – Market, Certification and Standardisation Unit.

The legal basis for the processing operations is article 5(1)(a) of Regulation (EU) 2018/1725, on the basis of Regulation (EU) 2019/881 (Cybersecurity Act), especially the provisions establishing the tasks of ENISA

The purpose of this processing operation is to register interested persons to ENISA's conference on Cybersecurity standardisation, provide access to the conference venue, as well as allow the follow up of the conference, including feedback collection and specific communication activities.

The following personal data are collected:

- Contact data: first name, last name, organisation, e-mail address.

The recipients of your data will be designated ENISA staff involved in the organisation of the conference, designated staff of ENISA's contractors involved in the event, and bodies charged with monitoring or inspection tasks in application of EU law (e.g. internal audits, European Anti-fraud Office – OLAF). The list of participants (first name, name, organisation) may be provided to the European standardisation bodies (CEN, CENELEC, ETSI), which are contributing to the event, upon request.

The final participants list (name, surname, organisation, country) will be kept for a maximum period of 5 years after the end of the event for auditing purposes. **Your contact data** will be kept for a maximum period of six months after the end of the event for communication/follow-up of the event. **Financial data** related to the event will be kept for a maximum period of 7 years after the end of the event for auditing purposes.

The data processors involved in the processing operation are:

- EAUdeWeb, established in Romania, who is responsible for ENISA's web site hosting under specific service contract with ENISA;

- BT GS Belgium, established in UK, that provides the online teleconferencing platform under specific service contract with ENISA. The sub-processor (online teleconferencing platform) used by BT is Cisco Webex.

The use of the SLIDO system, used during the conference, is governed by CEN-CENELEC and its Data Protection and Privacy Statement - <https://www.cenelec.eu/Pages/Privacy.aspx> .

You have the right of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data. Under certain conditions, you have the right to ask that we delete your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. We will consider your request, take a decision and communicate it to you. If you have any queries concerning the processing of your personal data, you may address them to ENISA at isd@enisa.europa.eu.

You have the right of recourse at any time to the ENISA DPO at dataprotection@enisa.europa.eu and to the European Data Protection Supervisor at <https://edps.europa.eu>.

Please note that there will be photos (screenshots from the online platform) taken during the panels' discussions based on the prior consent of the speakers (panel participants). These photos may be published on ENISA's website or on social media.

Still, should your photo is taken in the context of this photo shooting, and you would like to have this photo removed, please contact us at isd@enisa.europa.eu and we will do so as soon as possible.
