The European Data Protection Supervisor (EDPS) in cooperation with the European Union Agency for Network and Information Security (ENISA) process your personal data to organise and manage the workshop on personal data breaches, which will take place on 4 April 2019 in Brussels.

Your personal data shall be processed in accordance with the Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.¹

ENISA is also responsible for the online registration of the participants to the event, as well as the reimbursement of expenses of invited participants.

The legal basis for the processing operation is article 5(1)(a) of Regulation (EU) 2018/1725, on the basis of Regulation (EU) No 526/2013 for ENISA and Regulation (EU) 2018/1725 for EDPS, in particular the provisions establishing the tasks of ENISA and EDPS accordingly.

The purpose of the processing of your personal data is: handling invitations and participation requests, reporting on the event, as well as event follow-up actions, such as sharing presentations among participants and feedback collection.

The following personal data are processed:

- Contact data, such as first name, last name, title (optional), function (optional), organisation, e-mail address, phone number (optional).
- Financial data related to the reimbursement of expenses of invited participants (only by ENISA).

Please note that there will be photos taken during the workshop’s presentations (keynotes/panels) based on the prior consent of the speakers (presenters/panel participants). These photos may be published on ENISA’s and EDPS’s websites and/or relevant social media channels.

The focus of the photos will be on the speakers only and not on general views of the audience or specific views/pictures of workshop’s participants (other than speakers).

Still, should your photo be taken in the context of this photo shooting, and you would like to have this photo removed, please contact ENISA at isdp@enisa.europa.eu and we will do so as soon as possible.

Access to your data is granted only to ENISA and EDPS staff, who are involved in the organisation of the workshop, as well as staff of the event organiser contracted by ENISA that is involved in the reimbursement of expenses of invited participants. Access to the data can be also granted to national and EU bodies charged with monitoring or inspection tasks in application of national or EU law (e.g. internal audits, European Anti-fraud Office – OLAF).

The final participants list (name, surname, organisation, country) will be kept by ENISA for a maximum period of 5 years after the end of the event for auditing purposes. Your contact data will be kept for a maximum period of six months after the end of the event and in any case no later than 10 working days after the last event’s follow-up action. Financial data related to the event will be kept by ENISA for a maximum period of 10 years after the end of the event for auditing purposes. All data will be deleted after the end of their respective retention periods.
