

DATA PROTECTION NOTICE

2ND ENISA CYBERSECURITY MARKET ANALYSIS CONFERENCE (28TH AND 29TH SEPTEMBER 2023)

The 2nd ENISA Cybersecurity Market Analysis Conference is organised by the European Union Agency for Cybersecurity (ENISA). It will take place in a hybrid format (in Heraklion, Greece and online) on the 28th and 29th of September 2023.

The virtual organisation of the event is supported by Cisco Webex Collaboration tool for the purposes of the above-mentioned event.

Your personal data in the context of the 2nd ENISA Cybersecurity Market Analysis Conference shall be processed in accordance with the Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data¹.

The data controller for the processing of your personal data in the context of this event is ENISA (Market, Certification and Standardisation Unit).

ENISA is responsible for the overall organisation of the event as well as the communication with the participants before and after the end of the event.

ENISA will maintain and manage the webpage for the online registration of the participants for this event.

The legal basis for the processing operation is article 5(1)(a) of Regulation (EU) 2018/1725, on the basis of Regulation (EU) No 881/2019, in particular the provisions establishing the tasks of ENISA.

The purpose of the processing of personal data is to organise the event, register the event's participants through ENISA's website, provide registered participants' access to the virtual sessions through the teleconference platform, as well as communicate with the registered participants within the scope of the 2nd ENISA Cybersecurity Market Analysis Conference.

The data processors involved in the processing operation are:

- EAUdeWeb, established in Romania, who is responsible for ENISA's website hosting under specific service contract with ENISA;
- CISCO Webex² that will be the teleconferencing platform that ENISA uses under the European Commission's DG DIGIT SIDE II Framework Contract;

- T&T Executive SA, established in Greece, who is responsible for the administrative support of the event (e.g. preparation of badges, participants lists, etc.) and the online registration of the participants who will be joining physically the event as speakers and/or moderators.

The following personal data are processed for the events' participants:

For registration to the event:

- Contact data: title, first name, last name, organisation, job title, email address and other information for the purpose of the organisation of the event (collected upon registration at ENISA's website and further processed by ENISA and processors EAUDEWEB as well as T&T Executive SA that will also maintain and manage the online registration of the participants who will be joining physically the event as speakers and/or moderators).

For the use of the teleconference platform:

- Connection details for virtual session: username, email address (optional), IP address, user agent identifier, hardware type, operation system type and version and further technical connection data. These data are processed by CISCO (processor) in order to provide for the event and for analytics purposes.
- Participant / user generated information: discussion chat logs, meeting recordings, uploaded files, photos. Those data produced through the CISCO Webex platform during the event, will be processed by ENISA and deleted from CISCO Webex platform after the end of the event.

For photos taken during the event:

Please note that there will be photos taken during the event's presentations (keynotes/panels) based on the prior consent of the speakers (presenters/panel participants). These photos may be published on ENISA's website or on social media. Still, should your photo be taken in the context of this photo shooting, and you would like to have this photo removed, please contact us at market@enisa.europa.eu and we will do so as soon as possible.

The retention periods for the personal data are as follows: the participants' contact data will be kept by ENISA for a maximum period of 6 months after the end of the event, unless the participants have provided their consent upon registration for further processing by ENISA (in order for the participants to get informed about future ENISA activities and events). In the latter case, ENISA will keep the contact data until the participants withdraw their consent³. The personal data related to the connection and use of the teleconference platform, will be retained by the relevant processor (Cisco Webex) for the period necessary for the provision of the teleconferencing service. Personal data will be deleted after the end of the retention periods.

Recipients of personal data: access to your contact data is granted only to designated ENISA staff and staff of the processors, who are involved in the organisation of the event. Access to the personal data may be provided to EU bodies charged with monitoring or inspection tasks in application of national or EU law (e.g. internal audits, European Anti-fraud Office – OLAF).

Storage of personal data: the contact data collected upon registration at the ENISA website are stored on the ENISA's (and contractor's EAUDEWEB) servers and are only processed within EU/EEA. Personal data related to the connection/use of the teleconference platform are stored on Cisco

³ ENISA will provide additional information on further processing directly to those participants that give their consent.

Webex servers within EU/EEA and may include transfers of personal data outside EU/EEA, subject to the provisions of Chapter V Regulation (EU) 1725/2018.

You have the right of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data. Under certain conditions, you have the right to ask that we delete your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. We will consider your request, take a decision and communicate it to you. If you have any queries concerning the processing of your personal data, you may address them to ENISA at market@enisa.europa.eu. You may also contact at any time the ENISA DPO at dataprotection@enisa.europa.eu.

You have right of recourse at any time to the European Data Protection Supervisor (<https://edps.europa.eu>).
