

# Specific privacy statement for the ENISA High Level Event 2015 (HLE15)

---

## 1 Why do we collect the data?

The European Union Agency for Network and Information Security (ENISA) collects data associated with the registration of participants, speakers and associated functions that make part of the organisation and the audience of the HLE15.

## 2 Personal information collection and use

All personal data collected is treated in line with Regulation (EC) 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.

Personal data collected is not used for any other purpose, than completing registration and communication arrangements and procedures. Additionally this data is used to communicate future events and informative items to registered parties. ENISA does not share your data with third parties except for purposes permitted under Regulation (EC) 45/2001.

## 3 Securing your data

ENISA takes all necessary measures to manage risks associated with the processing of your personal data exercising controls such as the protection of the information provided, copying, alteration and unauthorized data input, not sharing information with unauthorized personnel and contractors, and preventing changes to information shared with third parties and subcontractors, exercising full document controls and setting access rights, as appropriate.

## 4 Log Data

Like many site operators, we may collect information that your browser sends whenever you visit our Site ("Log Data"). This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics. This type of data is not linked to any other personal data and is only collected for statistical purposes. You may, if you wish, change the settings in your browser so that it sends a 'do not track' request with your browsing traffic.

## 5 Who has access to your data?

The following categories will, by default, have access to your data:

- ENISA staff
- Select eligible Contractors of ENISA as appropriate specifically delegated by ENISA to carry out tasks in the framework of a contractual arrangement.

## 6 Changes to this Policy

ENISA may update this Policy from time to time. We will notify you of any changes by posting the new Privacy Policy/Statement on the web site where data collection is taking place. You are advised to review this section periodically for any changes.

## 7 How long do we keep your data?

The data will be kept active for 5 (five) years for the purposes described above; active retention may be extended as appropriate. From time to time ENISA may contact you in order to vet data for accuracy and quality.

## 8 Contact

The following can be contacted on personal data protection issues:

### **ENISA's Data Protection Officer**
