

DATA PROTECTION NOTICE

TELECOM SECURITY FORUM

ENISA Telecom Security Forum is organized by the European Union Agency for Cybersecurity (ENISA). The event will take place in a physical format on the 29th of June 2022

Your personal data in the context of the ENISA Telecom Security Forum shall be processed in accordance with the Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data¹.

The data controller for the processing of your personal data in the context of this event is ENISA (Policy Development and Implementation Unit).

ENISA is responsible for the overall organisation of the events as well as the communication with the participants before and after the end of the event.

ENISA will maintain and manage the web page for the online registration of the participants for all events.

The legal basis for the processing operation is article 5(1)(a) of Regulation (EU) 2018/1725, on the basis of Regulation (EU) No 881/2019, in particular the provisions establishing the tasks of ENISA.

The purpose of the processing of personal data is to organise the event, register the event's participants through ENISA's website, as well as communicate with the registered participants within the scope of the 2nd ENISA Telecom Security Forum.

The data processors involved in the processing operation are:

- EAUdeWeb, established in Romania, who is responsible for ENISA's web site hosting under specific service contract with ENISA;
- T&T Executive SA, established in Greece, who is responsible for the technical support of the event

The following personal data are processed for the events' participants:

- Contact data: first name, last name, organisation and email address (collected upon registration at ENISA's website and further processed by ENISA and processor EAUdeWeb)

Please Note:

- ENISA Telecom Security Forum will not be audio/video recorded.

- There will be photos taken during the workshop's presentations (keynotes/panels) based on the prior consent of the speakers (presenters/panel participants). These photos may be published on ENISA's website and/or relevant social media channels. The focus of the photos will be on the speakers only and not on general views of the audience or specific views/pictures of workshop's participants (other than speakers). Still, should your photo be taken in the context of this photo shooting, and you would like to have this photo removed, please contact ENISA at isd@enisa.europa.eu and we will do so as soon as possible.
- The event may be streamed through the ENISA YouTube Channel. The focus of the streaming will be on the speakers only and not on general views of the audience or specific views/pictures of workshop's participants (other than speakers).

The retention periods for the personal data are as follows: the participants' contact data will be kept by ENISA for a maximum period of 6 months after the end of the event, unless the participants have provided their consent upon registration for further processing by ENISA (in order for the participants to get informed about future ENISA activities and events). In the latter case, ENISA will keep the contact data until the participants withdraw their consent². The personal data related to the connection and use of the teleconference platform, will be retained by the relevant processor (Cisco Webex) for the period necessary for the provision of the teleconferencing service. Personal data will be deleted after the end of the retention periods

Recipients of personal data: access to your contact data is granted only to designated ENISA and staff, who are involved in the organisation of the three events. Access to the personal data may be provided to EU bodies charged with monitoring or inspection tasks in application of national or EU law (e.g. internal audits, European Anti-fraud Office – OLAF).

Storage of personal data: the contact data collected upon registration at the ENISA website are stored on the ENISA's (and contractor's EadeWeb) servers and are only processed within EU/EEA. Personal data related to the connection/use of the teleconference platform are stored on Cisco Webex servers within EU/EEA and may include transfers of personal data outside EU/EEA, subject to the provisions of Chapter V Regulation (EU) 1725/2018.

You have the right of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data. Under certain conditions, you have the right to ask that we delete your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. We will consider your request, take a decision and communicate it to you. If you have any queries concerning the processing of your personal data, you may address them to ENISA at isd@enisa.europa.eu. You may also contact at any time the ENISA DPO at dataprotection@enisa.europa.eu.

You have right of recourse at any time to the European Data Protection Supervisor (<https://edps.europa.eu>).

² ENISA will provide additional information on further processing directly to those participants that give their consent.
