The eIDAS Regulation ...

- *Creates the first global cross-border regulatory framework for trusted digital identities*
- *Allows citizens to access eGovernment services across borders*
- *Enables the Single Market through eSignatures, eSeals, eDelivery and time stamps*
- *Digital Identity under eIDAS is to cover soon 15 Member States and more than 60% of EU population*

eIDAS Review in 2019 ..

- *Regulatory requirement to review the eIDAS Regulation by July 2020*
- *What have we achieved?*
- *How can we improve?*

Questions to ask ..

- *Can we offer convenience?*
- *Can we offer consumer choice?*
- *Are we protecting data and privacy?*
- *Is there a level playing field for business?*
- *What is our global reach?*
