

DATA PROTECTION NOTICE

ENISA PQC WEBINARS:

How is Estonia approaching the PQC transition?

The European Union Agency for Cybersecurity (ENISA) is organising a webinar on “How is Estonia approaching the PQC transition?” that will take place on 22nd of October 2026.

Your personal data shall be processed in accordance with Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This processing operation relates to Record No 28 - Events Organisation, available under [ENISA's register of data processing activities](#).

The data controller of this processing operation is : ENISA, Market, Technology & Product Security Unit (MTPSU).

The purpose of this processing operation is to facilitate registration of interested participants, organisation of the webinar, provide access to the teleconference platform, make relevant travel and allow for communication prior to and after the workshop, including feedback collection.

The legal basis for the processing operation is article 5(1)(a) of Regulation (EU) 2018/1725 on the basis of Regulation (EU) 2019/881 (Cybersecurity Act), in particular the provisions establishing the tasks of ENISA.

The data processors are:

- **EC DG DIGIT**, under an SLA with ENISA, providing hosting services for ENISA website which will host the registration page.
- **Unisystems S.A.** (<https://www.unisystems.com/>) and **Eau De Web** (<https://eaudeweb.ro/>) providing web development, support and maintenance services under a Framework Contract with ENISA.
- **Cloudflare** (<https://cloudflare.com>) providing protection against Denial of Service (DDos) attacks to the ENISA's website. The service has been acquired via the European Commission's SIDE III Framework Contract;
- Microsoft Ireland operations Ltd that provides the Microsoft Teams platform via an Interinstitutional Licensing Agreement (ILA) with the European Commission (to which ENISA is also a party), that will be used as the teleconference platform during the meeting;
-

The following personal data are collected:

- **Contact data:** First name, Last name, Organisation, e-mail address (mandatory).
- **Visitors' IP adresse(s),** agent/browser details and referral website (if applicable) (exclusively for the website's cybersecurity protection including Denial-of-Service attacks).
- **Meeting Content** such as: chat, possible shared files etc.
- **Service Generated Data** such as: Call quality data, technical and connection data
- **Technical Support Data** such as: text, sound, video, image files, or software, that are provided to Microsoft by, or on behalf of, ENISA through an engagement with Microsoft to obtain Professional Services or Support.

Personal data will be kept for a duration of 3 months following the conclusion of the workshop. MS Teams channel data is stored for a period of maximum 2 months and then they are deleted. Service-generated data are stored for up to 180 days from collection.

Access to your data will be granted only on a need-to-know basis to ENISA staff members supporting the organization of the webinar and the relevant contractors referred to herein above. The data may also be available to EU bodies charged with monitoring or inspection tasks in application of EU law (e.g. internal audits, European Anti-fraud Office – OLAF). ENISA staff responsible for the service (e.g., IT system administrators) may have access to personal data such as participant information, meeting information for system operation and maintenance, troubleshooting or investigation of security incidents, Microsoft for delivering the service and MS Teams service processors.

Transfers of Personal Data outside the EU/EEA is not foreseen. Data are stored and further processed within Microsoft data centers exclusively in EU under the Microsoft data boundary program. Any transfer of personal data outside the EU/EEA shall be performed in line with the ILA (between the European Commission and Microsoft) and in compliance with Chapter V EUDPR. Microsoft has been certified under the EU US Data Privacy Framework.

You have the right of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data. Under certain conditions, you have the right to ask that we delete your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. We will consider your request, take a decision and communicate it to you. If you have any queries concerning the processing of your personal data, you may address them to ENISA at product_security@enisa.europa.eu.

You may also contact at any time the ENISA DPO at dataprotection@enisa.europa.eu.

You have the right of recourse at any time to the European Data Protection Supervisor at <https://edps.europa.eu>.
