ENISA
CO-OPERATION & IMPACT

WHO ARE WE?
European Union Agency for Network and Information Security Agency (ENISA) provides expertise on cyber security issues for the EU, its Member States, benefiting the private sector and Europe’s citizens.

WORKING WITH OTHERS
We support CERTs and EU-bodies in the fight against cyber criminals in prevention while respecting that the operational activity is their job.

WHAT’S OUR OBJECTIVE?
We seek to achieve a high level of cyber security, prevention and preparedness for the EU.

KEEPING YOU INFORMED
Multilingual material available across Europe through ENISA’s website, social media, YouTube, and mainstream media channels.
