<p><b>Q1:</b></p>	<p>On section 3.7, page 17 of the tender specification, it is written: "estimated budget cannot exceed 30,000.00 Euros (<b>fifty thousand Euros</b>) covering all tasks". It is obvious that there is a mismatch on the amount between the number and the words in parenthesis. Which one of the two is the correct one?</p>
<p><b>A1:</b></p>	<p>A typographical error is now corrected with the accurate text reproduced below:</p> <p><b>3.7 TENDER RESULT AND ESTIMATED CONTRACT VALUE</b></p> <p>The result of the evaluation of tenders will be the awarding of a Service Contract. The total estimated budget cannot exceed <b>30,000.00 Euros</b> (<b>thirty thousand Euros</b>) covering all tasks executed and including all costs (e.g. travelling expenses of the contractor to and from ENISA’s premises, use of conferencing equipment, telephone calls, etc.).</p> <p>.</p>
