

Inter-Agency Mobility: Call for Applications

Cybersecurity officer (TA/AST5 - AST6) 2(f) – One position

Ref. ENISA-TA36-AST-2021-03-IAM

The European Union Agency for Cybersecurity (ENISA) welcomes applications from highly motivated candidates to contribute to the development of the Agency.

Please send us your applications by no later than 22/07/2021 at 16:00 CET.

1. The Agency

The European Union Agency for Cybersecurity (ENISA) holds a discreet and enhanced role under the mandate of the Cybersecurity Act Regulation¹. The mission of the European Union Agency for Cybersecurity (ENISA) is to achieve a high common level of cybersecurity across the Union, by actively supporting Member States, European Union institutions, industry, academia and EU citizens.

ENISA contributes to policy development and implementation, support capacity building and preparedness, facilitate operational cooperation at Union level, enhance the trustworthiness of ICT products, services and processes by rolling out cybersecurity certification schemes, enable knowledge sharing, research, innovation and awareness raising, whilst developing cross-border communities and synergies.

ENISA is located in Athens, Greece (the agency's official seat) with a branch office in Heraklion, Crete, Greece. In addition, ENISA is in the process of establishing a Local Office in Brussels, Belgium.

The place of employment for this vacancy is **Athens, Greece**².

ENISA's staff are expected to be reasonably mobile in order to respond to the needs of the Member States on the basis of planned as well as ad hoc needs.

Further information about ENISA is available on the ENISA website: <https://www.enisa.europa.eu/>

2. Market, Certification and Standardisation Unit

The Cybersecurity officer will work in the Market, Certification and Standardisation Unit (MCS).

The Market, Certification and Standardisation unit ensures the performance of the tasks of the Agency as set out in Art.8 and 22 and under Title III of the CSA, pursuant Article 2(5) of the MB Decision MB/2020/9. It is responsible and leads the activities relevant to achieving the strategic objective "High level of trust in secure digital solutions". The Unit contributes in achieving the overall goals of the Agency as described through the recitals 4, 11-13, 23, 42, 44-45, 48, 50-53 of the CSA.

The unit undertakes efforts to increase the security of ICT products, ICT services and ICT processes and thus increase citizens', organizations' and businesses' trust in digital solutions. For this, the unit develops and maintains certification schemes, works with organizations, manufacturers or providers involved in the

design and development of ICT products, ICT services or ICT processes and products. It promotes the implementation of 'security by design' and 'security by default' measures and other approaches to reduce the risk of harm from malicious exploitation and protecting the security of ICT products, services and processes to the highest possible degree throughout their lifetime. The work of the Unit in increasing the security of ICT products, ICT services and ICT processes contributes to efficient and effective implementation of the Union's legal framework on protecting consumer's data and privacy. MCS contributes to the development of the cybersecurity industry in the Union, in particular SMEs and start-ups, to reduce dependence on cybersecurity products and services from outside the Union and to reinforce supply chains inside the Union.

The unit develops relations and consults regularly standardisation organisations, in particular European standardisation organisations. It liaises with the relevant organizations that represents the interests of consumers, European Data Protection Board and other authorities that deal with data protection, as well as with other relevant bodies at national and Union level and with public and private stakeholders dealing with ICT products, services and processes.

3. Job description

The **Jobholder** is expected to contribute to one or more of the following activities:

- Ability to organise and prioritise work.
- Demonstrate strong service oriented attitude.
- Ability to collect, analyse and report information.

IMPORTANT:

All high scoring and low scoring criteria are evaluated in order to identify the candidates to be invited for an interview and written test. The top candidates (number of the shortlisted candidates scoring above the threshold to be set by the selection board) will be invited for an interview and written test. Therefore, candidates are recommended to give evidence of their knowledge by specific examples and/or detailed professional experience in the application form in order to be evaluated in the best possible way. To that purpose candidates are requested to be as detailed and as clear as possible in the description of their professional experience and specific skills and competences.

5. Selection procedure

The selected candidate will be appointed to a position according to the needs of the Agency, on the basis of the reserve list of candidates, proposed by the Selection Board and established following an open selection process involving interviews and written tests.

More specifically, the Selection Board decides on those candidates who are admitted to the selection procedure in accordance with the requirements as specified in the vacancy notice. The applications of the candidates admitted to the selection procedure are reviewed and the Selection Board decides on those candidates who are invited to attend an interview and written test.

The Selection Board adheres strictly to the conditions of admission laid down in the vacancy notice when deciding whether candidates are to be admitted. Candidates admitted to a previous selection procedure will not automatically be eligible. Should the Selection Board discover at any stage in the procedure that the candidate does not meet one or more of the general or special conditions for admission to the selection procedure or that the information on the application form does not correspond with the supporting documents, the candidate will be disqualified.

Shortlisted candidates will be asked to undergo a written test of which the candidates will be informed in advance. The interview and the written test are conducted in English. In case English is the mother tongue of an applicant, some interview/written test questions may be asked in the language they indicate on the application form as their second EU language.

Shortlisted candidates will be required to submit electronically relevant supporting documentation demonstrating their educational qualifications and work experience. **It is envisaged that the interviews and written test will take place in August/September 2021.** The date may be modified depending on the availability of the Selection Board members. Shortlisted candidates may also be required to provide work-related references upon request of the Agency. The activity of the Selection Board ends with the drawing

of a reserve list of suitable applicants to occupy the position advertised. **Candidates should note that inclusion on the reserve list does not guarantee recruitment.**

The reserve list will be valid until 31/12/2022 and may be extended by decision of the Appointing Authority for a further 12 months. This list may be used to recruit Staff for other positions in the areas referred to in this vacancy.

Candidates invited to an interview will be informed by e-mail whether or not he/she has been placed on the reserve list. The appointed candidate will be asked to fill a specific form informing the Appointing Authority of any actual or potential conflict of interest⁹. If a letter of intention is issued, the candidate must undergo a compulsory medical examination to establish that he/she meets the standard of physical fitness necessary to perform the duties involved and the candidate must provide original or certified copies of all relevant documents.

In line with the European Ombudsman's recommendation, ENISA publishes the names of the Selection Board on its website once established. It is strictly forbidden for the candidates to make any contact with the Selection Board, either directly or indirectly. Any infringement to this rule will disqualify the candidate from the competition.

All enquiries or requests for information in relation to the competition, including details about candidates' results¹⁰ should be addressed to the following email address recruitment@enisa.europa.eu

6. Conditions of Employment

ENISA and the selected Temporary Agent shall conclude a contract of employment which ensures continuation of his/her employment and career in the category of TA 2(f). That contract shall be concluded without interruption of the contract concluded with the Agency of origin ("the preceding contract") and shall fulfil the following requirements, in particular:

- The same grade and the same seniority in the grade as the preceding contract.
- The same step and the same seniority in step as the preceding contract.

The end date of the contract concluded with ENISA and of the preceding contract shall be the same. In the event that the preceding contract comes to its natural end on the day of the move, the duration of the contract concluded shall be the same as that ENISA would have set in case of a renewal of one of its own TA 2(f).

The selected Temporary Agent shall take up duty at ENISA up to three months' after the job offer, unless it is otherwise agreed between the two Agencies and the Staff Member concerned.

The Agency of origin shall transfer the personnel file to ENISA no later than 30 days after the date of the move.

The rights and entitlements inherent to the country of employment (i.e. Greece) will be adapted accordingly.

7. Data protection

All personal data shall be processed in accordance with Regulation (EU) No 2018/1725 of the European Parliament and of the Council (OJ L 295, 21.11.2018, p. 39–98) on the protection of natural persons with
