Where for whatever reason one or more of the top eight (8) candidates are not able to participate in the interview process, the Selection Board may pick the next appropriate number of highest ranked applicants. Therefore, candidates are recommended to give evidence of their knowledge by specific examples and/or detailed professional experience in the application form in order to be evaluated in the best possible way. To that purpose candidates are requested to be as detailed and as clear as possible in the description of their professional experience and specific skills and competences.

4. Selection procedure

The selected candidate will be appointed to a position according to the needs of the Agency, on the basis of the reserve list of candidates, proposed by the Selection Board and established following an open selection process involving interviews and written tests.

More specifically, the Selection Board decides on those candidates who are admitted to the selection procedure in accordance with the requirements as specified in the vacancy notice. The applications of the candidates admitted to the selection procedure are reviewed and the Selection Board decides on those candidates who are invited to attend an interview. The Selection Board adheres strictly to the conditions of admission laid down in the vacancy notice when deciding whether or not candidates are to be admitted. Candidates admitted to a previous selection procedure will not automatically be eligible. Should the Selection Board discover at any stage in the procedure that the candidate does not meet one or more of the general or special conditions for admission to the selection procedure or that the information on the application form does not correspond with the supporting documents, the candidate will be disqualified.

Shortlisted candidates will be asked to undergo a written test of which the candidates will be informed in advance. Shortlisted candidates will be required to submit electronically relevant supporting documentation demonstrating their educational qualifications and work experience. It is envisaged that the interviews and written test will take place in September 2018. Shortlisted candidates may also be required to provide work-related references upon request of the Agency. The activity of the Selection Board ends with the drawing of a reserve list of suitable applicants to occupy the position advertised. Candidates should note that inclusion on the reserve list does not guarantee recruitment.

The reserve list will be valid until 01/07/2019 and may be extended by decision of the Executive Director for a further 12 months. This list may be used to recruit Staff for other positions in the areas referred to in this vacancy.

Candidates invited to an interview will be informed by e-mail whether or not they have been placed on the reserve list. Candidates on the reserve list will be asked to fill a specific form informing the Appointing Authority of any actual or potential conflict of interest⁵. If a letter of intention is issued, the candidate must

⁵ In compliance with Article 11 of the Staff Regulations of Officials and Conditions of Employment of Other Servants of the European Union.

undergo a compulsory medical examination to establish that he/she meets the standard of physical fitness necessary to perform the duties involved and the candidate must provide original or certified copies of all relevant documents.

In line with the European Ombudsman's recommendation, ENISA publishes the names of the Selection Board on its website once established. It is strictly forbidden for the candidates to make any contact with the Selection Board, either directly or indirectly. Any infringement to this rule will disqualify the candidate from the competition
