2. The Unit

The Corporate Support Services Unit (CSS) of ENISA is responsible to implement the corporate objective “Build an agile organisation focused on people” and support the Agency activities, pursuant to Chapter II of Regulation (EU) 2019/881 - Cybersecurity Act (CSA).

The underlying mission of the CSS is to help ensure the seamless functioning of the Agency, support the Executive Director, and provide efficient corporate support services to all operational units, staff members and, when relevant, offer services to other EU bodies and agencies under joint corporate service frameworks. The unit is also responsible for implementing ENISA's corporate and HR Strategy 2023-2028, as adopted by the Management Board in 2023.

The unit is undergoing a business transformation via modernising its services vis-à-vis market practices, reengineering its processes, analysing and reviewing policy and legal framework, service outsourcing and proceeds to enhanced digitalisation and change management in order to promote self-service functionalities and process optimisation. The unit aspires to build further on the business partnering concept and further enhance alignment with the strategic and business objectives of the Agency.

The new way of working is centred around services rather than silo-profiling or product delivery profiling. The CSS unit, a small, friendly and dynamic unit comprised of approximately 20 colleagues (& supported by external service providers) is committed to providing a one-stop shop for all services within its extensive portfolio, including HR, Budget, Finance, Procurement, IT, Security, Facility & Event Management and Legal. This transformation aligns with a global business model, emphasising XaaS (Anything as a Service), shifting historically siloed activities into a holistic, service-based approach as a one-stop-shop.

The unit is facing important developments on critical areas such as sustainability, modernisation, collaboration and cooperation as well as building partnerships and transitioning from an administrative function to a service delivery model entity.

Any infringement to this rule will disqualify the candidate from the competition.

The selection procedure comprises of three consecutive phases:

6.1 Phase 1 – Preparatory phase & screening of applications

Each Selection Board member (including the observer(s), should there be any one) signs a declaration with regard to confidentiality. The Selection Board's work and deliberations are bound by the principle of confidentiality as per Article 6 of Annex III of Staff Regulations. The Selection Board adheres strictly to the conditions of admission laid down in the vacancy notice.

Before having access to candidates' applications, the Selection Board pre-decides on the assessment methodology under each stage of the selection process: expected indicators and marks on how candidates' applications will be assessed, interview and written test questions and duration, expected indicators and thresholds for the respective assessments, along with the reserve list ceiling.

Once having access to applications, the members of the Selection Board fill in a declaration with reference to conflict of interest and confirm that they have no conflict of interest or bias whatsoever in regard to the individual candidates.

All applications received are checked against the eligibility criteria set out in the vacancy notice.

6.2 Phase 2 – Evaluation of applications

Only eligible candidates will be further assessed by the Selection Board against the selection criteria and competences outlined in the vacancy. Candidates admitted to a previous selection procedure will not be automatically eligible.

The selection process will be based on the assessment of candidates' merits against the criteria and competences outlined in the vacancy. Therefore, candidates are recommended to give evidence of their

knowledge and professional experience by using specific examples and/or detailed professional experience, specific skills, knowledge and competences in their application, in order to be evaluated in the best possible way. Should the Selection Board discover at any stage in the procedure that the candidate does not meet one or more of the general or special conditions for admission to the selection procedure, or that the information on the application form does not correspond to the supporting documents, the candidate will be disqualified.

6.3 Phase 3 – Shortlisting

Shortlisted candidates may also be required to provide work-related references upon request of the Agency.

6.4 Reserve list

The activity of the Selection Board ends with the drawing of a reserve list of suitable applicants to occupy the position advertised. The reserve list is unranked and is drawn alphabetically. Candidates should note that inclusion in the reserve list does not guarantee recruitment.

In addition, reserve listed candidates may be asked to undergo a second interview prior to any recruitment, for which they will be informed in advance. The interview will focus on the specific match of the candidate for the specific post covering the related motivation, and relevant technical and behavioural competencies.

The reserve list will be valid until **31/12/2029**. Candidates invited to an interview will be informed by e-mail whether or not they have been placed on the reserve list. Upon completion of the selection procedure, all candidates will receive an outcome letter. It may be that other EU Institutions, Agencies or Bodies approach ENISA to request for the CVs of candidates on the reserve list. Candidates, who are on the reserve list, will be informed by HR to request if they are interested in a similar post in another agency. If so, they will be invited to send their (updated) resume/CV to the requesting agency. The requesting agency will then contact the candidate for their vacancy.

¹² Additionally, candidates shall be informed that the written test may be organised by a third party online and/or may be proctored.

The Authority Empowered to Conclude Contracts (ED) will ultimately decide on the successful candidate to be appointed to the post, based on the needs of the Agency. The appointed candidates will be asked to fill a specific form informing the Appointing Authority of any actual or potential conflict of interest¹³.

9. Requests, Complaints and appeals

Candidates, who consider that their interests have been prejudiced by any decision related to the selection procedure, can take the following actions:

9.1 Requests for feedback

Candidates to a selection procedure can request feedback regarding their results **within ten (10) calendar days** from the communication of their results. They should expect to receive an answer from ENISA at the latest within fifteen (15) working days from the request. Please note that the request for

feedback does not extend the deadlines to submit a request for internal review or administrative complaint under Article 90(2) of the Staff Regulations.

Candidates should send an email to the following email address recruitment@enisa.europa.eu clearly indicating on the subject line: "Request for feedback of (name of candidate) for the vacancy notice reference number (vacancy notice reference number)" and clearly stating their request on the content of the email.

9.2 Requests for internal review of the decisions taken by the Selection Board

Candidates, who feel that an error has been made in relation to their non-admission to the selection procedure (i.e., not eligible) or to their exclusion from the selection procedure (i.e., not invited for an interview/written test) may request a review **within ten (10) calendar days** from the date on which they are notified about the decision. Requests for internal review may be based on one or more of the following reasons:

- i) a material irregularity in the competition process;
- ii) non-compliance, by the Selection Board or ENISA, with the Staff Regulations and relevant implementing rules, the vacancy notice, its annex and/or case-law.

Please note that candidates are not allowed to challenge the validity of the Selection Board's assessment concerning the quality of their performance in a test or the relevance of their qualifications and professional experience. This assessment is a value judgment made by the Selection Board and disagreement with the Selection Board evaluation of the tests, experience and/or qualifications does not prove that it has made an error. Requests for review submitted on this basis will not lead to a positive outcome.

Candidates should send an email to the email address recruitment@enisa.europa.eu, clearly indicating on the subject line: "Request for internal review (name of candidate) for the vacancy notice reference number (vacancy notice reference number)". The candidates shall clearly indicate the decision they wish to contest and on what grounds. **Requests received after the deadlines will not be taken into account.**

Candidates having requested a review will receive an acknowledgment of receipt within fifteen (15) working days. The instance, which took the contested decision (either the Selection Board or ENISA), will analyse and decide on the requests and candidates will receive a reasoned reply in accordance with ENISA's Code of good administrative behaviour as soon as possible. If the outcome is positive, candidates will be re-entered in the selection procedure at the stage at which they were excluded, regardless of how far the selection has progressed in the meantime.

9.3 Administrative complaints

Candidates to a selection procedure, who consider they have been adversely affected by a particular decision of the Selection Board, have the right to lodge an administrative complaint, within the time limits provided for, under Article 90(2) of the Staff Regulations to the Executive Director of ENISA. A complaint can be submitted against any decision, or lack thereof, that directly and immediately affects the legal status as a candidate. Candidates should note that a complaint to the Executive Director against a decision of the Selection Board cannot result in overturning a value judgment made by the latter related to the scores given to candidates' assessment of the relevance of their qualifications and professional experience and of their performance in a test.

Candidates shall submit an email to the following email address recruitment@enisa.europa.eu clearly indicating on the subject line: “Complaint under Article 90(2) of the SR of (name of candidate) for the vacancy notice reference number (vacancy notice reference number)”. Complaints shall be addressed to the Executive Director of ENISA, Ethnikis Antistaseos 72 & Agamemnonos 14, Chalandri 15231, Attiki, Greece. The complainant shall indicate clearly the decision they wish to contest and on what grounds. Complaints received after the deadline will not be taken into account.

Please note that appeals against decisions taken by ENISA will not be admissible before the General Court, unless an administrative complaint under Article 90(2) of the Staff Regulations has first been submitted and rejected by express decision or by implied decision.

The General Court has consistently held that the wide discretion enjoyed by Selection Boards is not subject to review by The General Court, unless rules, which govern the proceedings of Selection Boards, have been infringed. For details on how to submit an appeal, please consult the website of the Court of Justice of the European Union: <http://curia.europa.eu>.

All EU citizens and residents can make a complaint to the European Ombudsman pursuant to Article 228 (1) of the [Treaty on the Functioning of the European Union](#), as well as the [Statute of the Ombudsman](#) and the implementing Provisions adopted by the Ombudsman under Article 14 of the Statute. Before submitting a complaint to the Ombudsman, candidates must first make the appropriate administrative approaches to the institutions and bodies concerned.

Please note that complaints made to the Ombudsman have no suspensive effect on the period laid down in Articles 90 (2) and 91 of the [Staff Regulations](#) for lodging complaints or for submitting appeals to the General Court pursuant to Article 270 of the [Treaty of the Functioning of the European Union](#). Please note also that under Article 2(4) of the [General conditions governing the performance of the Ombudsman's duties](#), any complaint lodged with the Ombudsman must be preceded by the appropriate administrative approaches to the institutions and bodies concerned.
